

Cool Blue

Cool Blue likes to play with everyone as he is a very friendly monster. He is much loved by his monster friends.

He is a cool DJ who also looks after the animals in the zoo. He gives the animals a shampoo and feeds them food. The monkeys eat a lot of fruit! He fixes the zoo roof with sticky glue when he needs to.

Cool Blue's favourite DJ event is the Friday Monster Disco. He sets up his DJ equipment in *Angry Red A's* cave. Nearly all the monsters love the disco, including, *Tricky Witch* and the ghosts. *Cool Blue* also sings the 'oo' backing vocals in the monsters' band.

It is true that *Cool Blue* lives in a blue moon house.
