Dear Parents and Carers,

A Shakespeare workshop for Year 5 and Year 6: The Tempest

Children in Year 5 and Year 6 enjoyed a recreation of The Tempest on Wednesday. All the children really enjoyed the passion put into the performance and originality of the play. This visiting production was part funded by money raised by the PSA through class cake sales. Thank you for supporting through this avenue.

Importance of being on time in the morning

A reminder that children should be on the school playground by 8:45am so they are ready to line up with their class at 8:50am. Children are much better prepared for their learning and maximising opportunities if they avoid being late. Joining class late causes disruption for the children who were on time and makes learning more difficult if input has already been missed. Please make arrangements to ensure your children are on time.

Christmas story writing competition

The school council were pleased to receive over 30 entries for the Christmas story writing competition. Since the deadline, they have been busy judging the stories and deciding on four winners and four runner ups. They considered creativity, imagination and its link to Christmas. The winners and runners up will be announced on Monday in achievement assembly by the school council.

Staying safe in your home: Year 1 and 2

A theatre company visited Princess Frederica to help the children learn all about how to keep safe inside and outside the home. They learnt through story how to spot possible dangers by advising the workshop lead what he should do and the decisions he should make to keep safe. The children really enjoyed the session organised by Wizard Theatre.

School Prayer

Father God,
Please help us to work hard, and to play fairly. Help us to be a good friend to others and be kind even when others might forget to be kind to us. Thank you,
Amen
