

Princess Fred's Matters

"To everything there is a season, and a time to every purpose under the heaven." Ecclesiastes 3:1

Friday 19th May '17

Dear Parents and Carer,

Year 3 Residential Trip to Lincolnsfield

The start of the residential trips season started with Year 3 visiting Lincolnsfield. The children stayed at the centre for two nights and enjoyed a variety of different activities including mini-beast hunting, a treasure hunt all over the grounds, songs around the bonfire, exploring the woods, visiting a farm and lots more. The biggest challenge for the staff was getting the children to sleep, something that was only mastered on the second night. It's fair to say though, that everyone had a good time and returned with lots of pictures and stories to tell.

To keep up with what's happening on the school journeys and to see some selected pictures, please visit the school website.

Semi-final football match

Malorees 0 – 4 Princess Frederica

On Thursday, the boys football team travelled to Malorees Primary school to play their South Brent League semi-final match. The team played an excellent game and were a credit to the school- both on and off the pitch. Playing some great football from the kick-off, the boys deservedly ran out winners on the day and have now booked themselves a place in the final which is to be played after half-term. The goal scorers on the day were Max Tolliday (2), Daniel Birrell (1) and Eddie Ridley (1). Well done boys and good luck in the final.

Year 5 Evolution Project and the Royal Albert Hall

Year 5 have been participating in a design and technology project for the last term. Their design brief was to engineer a functioning mechanism that would operate as part of the Royal Albert Hall Stage during Cirque Du Soleil. The children were lucky enough to have the help and guidance of Rolls Royce Engineers who came to the school on two separate occasions to share their expertise and help the children with their project. After weeks of brainstorming ideas, problem-solving, building, evaluations and re-building, selected children were asked to return to the Royal Albert Hall to present their final mechanisms to the Rolls Royce team and twelve other schools who participated in the project. It was a great day and a fantastic experience. It demonstrated so

clearly the link between what we learn in class and its application in real life.

Half-term dates approaching

A reminder that important dates are approaching including three days the school is closed to children. These include:

- Friday 26th May 2017
- Monday 5th June 2017
- Thursday 8th June 2017 (Polling Day)

The school will be closed to the children on all three dates. Also, a reminder that the school will be closed for half-term from Friday 26th May 2017.

The school will, of course, be open for children attending school residential trips. Please look at letters with regards to times that children need to be at school and when they are due to be picked up. The school will communicate any changes with regards to pick up.

School Dinners

A reminder that £75.90 is the cost for school lunches for the next half-term (cost from 6th June to 20th July). Please make sure this is paid online and before the start of the new half-term.

School Prayer

Dear God,

We pray for all the staff and children on residential. We pray for good weather, safety and the making of wonderful memories.

In Jesus' name

Amen

Star of the Week

Year Group and Class	Stars of the Week from the week starting Monday 1 st May '17	Stars of the Week from the week starting Monday 8 th May '17
