

Princess Fred's Matters

"So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal" Corinthians 4:18

Friday 2nd February '18

Dear Parents and Carers,

Visit to St Paul's Cathedral

School councillors in Key Stage 2 and the head boy and head girl (along with their deputies) visited St Paul's Cathedral for a special service celebrating all the Church of England schools that exist in the London and Greater London area. Children were joined by teachers and they sang a series of hymns together, listened to different speakers and reflected on our individual school communities.

Year 3 Trip to the British Library

Last week, Year 3 went on a magical trip to The British Library. The 'History of Magic' exhibition gave the children an opportunity to create spells, mix potions and design their very own mythical creatures. It was fantastic to see the children including these creations in their own stories when we returned to school.

Newly launched QPCS Alumni programme

QPCS are looking for any ex-students so they can join the newly launched QPCS Alumni programme. By joining ex-students will have access to lots of information about events and news at the school, as well as news of reunions and access to archives full of photos and memories. It also provides an opportunity to visit the school and give something back to the current students.

If you, or any of your family went there, please email alumni@qpcs.brent.sch.uk with your details. Thank you.

Coding camp with Cypher Coders!

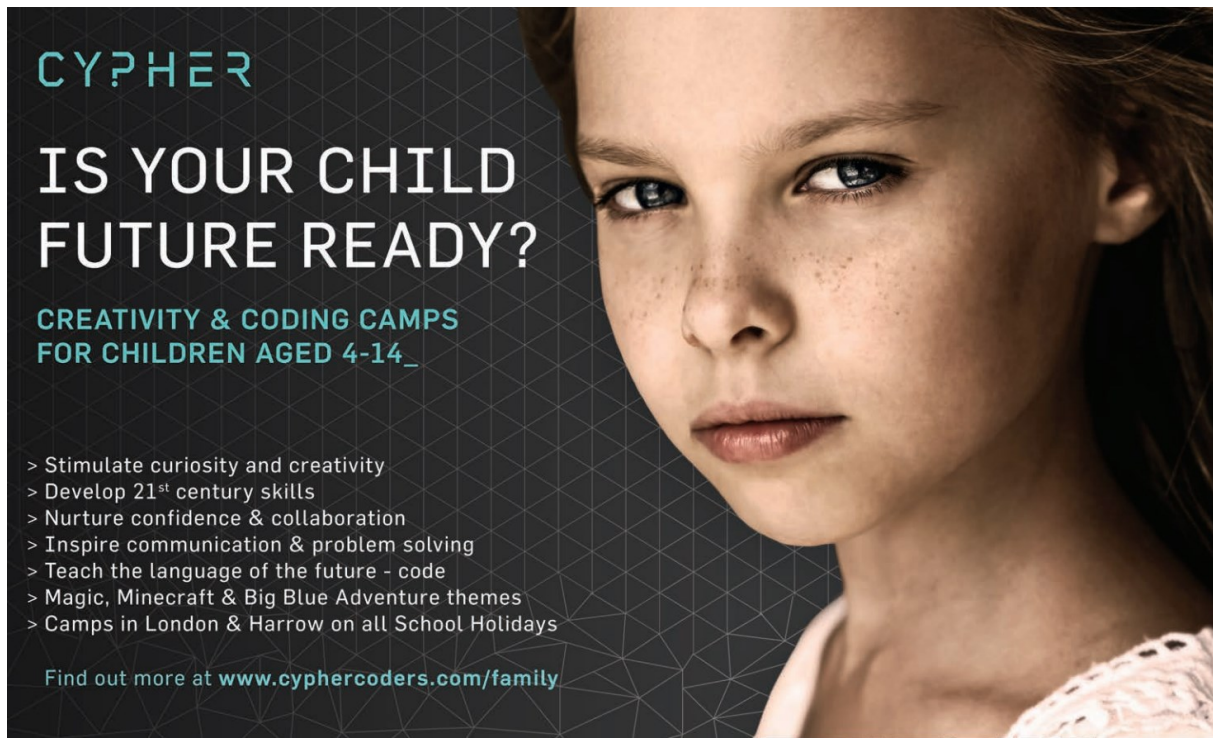

Coming to Princess Frederica this half term, Coding camp with Cypher Coders!
At our camps children can expect to plan, design, build and code various hands-on take-home projects.

They will have healthy snacks, off-screen fun and a sweat shirt to take home.

Code Camp is also open to non-Freds kids, so bring your friends along, and book with the code "siblinglove" for 10% off each child!

Follow the link for more info on camp content:

School Prayer

Father God,
Please help us during challenging times. Provide us with the strength that is needed to support those in the greatest of need. Guide us in difficult times so we remember all that is wonderful. Be a friend when all else seems lonely.

Amen

Star of the Week

Class	W/B: 15 th January '18	W/B: 22 nd January '18
Reception France	Ali Najem for his effort in reading and writing.	Freya Gordon-Lennox for her effort in PE, moving on her hands and feet.
