Dear Parents and Carers,

PSA Summer Fair

On Saturday 24th June every inch of the school playground was used by the PSA for its wonderful fundraising Summer Fair (sponsored by Mile Estate Agents) and it was lovely to see everyone having fun together in the sunshine. We were bowled over when we heard the fair had raised £7000 and special appreciation to parents Lucy Dare and Yasmin Eady who coordinated the event alongside the PSA Exec team and class reps. Particular highlights were the Steel Pans and the String Ensemble and thanks to Mr Clarke and Mr Tang respectively for coming in on their day off - and of course all the children who performed so magnificently.

We are extremely fortunate at Princess Frederica to have such a committed and energetic parent/carer community and the Headship Team would like to thank everyone who gave their time on the day to help. The PSA will vote on how to spend the money at next term's AGM.

ABC Governors Fund

We are now asking parents to contribute £20 a month per child to the new improved ABC fund, so we can fight to maintain some of the great things our wonderful school has to offer. Changes to Staff pensions and National Insurance have increased costs by 10% this year, with further rises likely while central government funding for schools has plummeted. We do not have sufficient funds in the budget to continue with African drumming and we would like to continue to protect our excellent PE, music and language curriculum that we are so lucky to have, as well as being able to fund core educational needs. This is becoming increasingly difficult, so if you can afford more than £20 a month, please be generous.

If you cannot afford to pay this much, this is not a compulsory payment. However, we do ask that all parents consider making some kind of payment and, for the majority, we would ask for a minimum contribution of £20 a month per child. Please copy the link below in order to make your payment or look for the button on the homepage of the school website.

Many thanks for your continued support,

The Governing body of Princess Frederica

Pokemon Cards

Please ensure that children are not bringing Pokemon cards into school. More than a few children have been getting upset about losing cards and it is causing issues within friendship groups. Thank you for your understanding.

Day of percussion at Princess Frederica

Children in Key Stage 2 on Monday 26th June enjoyed a day of percussion and performed to parents at the end of it all. The day was a fantastic opportunity for the children to build on their music knowledge and creativity and put something together that parents raved about afterwards. A really enjoyable day! Thank you to Mr Tang for working tirelessly to ensure we continue to enjoy exciting music provision for all our children.

Classes for the next academic year

Wonderful news. We are delighted, un-like many schools in London, that staff mobility remains very low at Princess Frederica. Your child's new class teacher is listed below. There will be transition sessions next week where your children will spend time with their new teacher.

Situation with the gate

We are working with the Diocese to find a solution with the gate that has been closed both in the morning and at the end of day. A temporary solution should be reached next week. However, this situation has posed some interesting thoughts and issues. This includes points for keeping the gates closed for security and safety reasons. We will be working with the Diocese on this issue as well as with other schools and deciding on a permanent solution for the new academic year.

School Prayer

Dear Lord,
As we come towards the end of the academic year, we give thanks for all that you have blessed this school with. Be with us over the remaining 2 weeks. We ask in the precious name of Jesus Christ.

Amen
