Residential Meetings

We hope all parents who attended found the Residential meetings this past week useful. If you could not attend the meeting but you are interested in the information discussed, please find PowerPoint presentations on the Head's blog area of the website from Monday.

Online Internet Safety

In November we focus on maintaining positive friendships online. As part of this focus, we would like to invite parents to attend a presentation on internet safety. There will be two presentations with the first session starting at 9am and the second starting at 5pm. Both sessions will be held on Monday 28th November.

Christmas Shoebox Appeal

We are excited to announce that we will be continuing to work with the Samaritans Purse charity on the operation Christmas child shoebox appeal. This is a wonderful opportunity to share Christmas and all of its joys with children all over the world. The deadline for packing and handing shoeboxes into school is Friday 18th November. Shoeboxes can be submitted anytime between now and the 18th. All children will bring home a leaflet today that explains the purpose of the shoebox and what sorts of things to fill it with. For further details, please visit the Samaritan's Purse website and select the link on 'How to Pack a Shoebox.'

Love Thy Neighbour

The Headship Team were delighted to share an afternoon tea with children nominated by their teachers from each class for their contributions to school life with a special focus on our school values. The event, know as 'Love Thy Neighbour,' is held at the end of every half-term. Well done to the children selected.

Firework Safety

Children have thought carefully this week about the importance of safety while enjoying fireworks with friends and family. It has been discussed in assemblies and in class too. We hope you enjoy a wonderful and safe weekend.
