Week 2, Day 5: Friday 3rd April

Reading: Ask your child to choose a story from their own library. Take some time to read the story to your child and ask them to join in with repeated refrains. Are there any words they can read/help you with?

Maths: Using matchsticks/lolly sticks or string, make the following shapes: rectangle, square, triangle and circle. Parents/carers, ask your child the following questions:

Which shape cannot be made from sticks? Why?

Is it easier to make the rectangle with sticks or with string?

Phonics: Follow the link and play a game of Buried Treasure:

https://www.phonicsplay.co.uk/BuriedTreasure2.html

Expressive Arts Design: Using your playdough, complete the following activities to help improve your fine motor skills:

1. Make a worm by rolling the playdough between your hands
2. Roll the playdough into a ball in your hands or on a table
3. Press each of your fingers, one by one, into the dough
4. Challenge: Can you make a caterpillar by rolling the playdough into lots of small balls, like the one below?

Handwriting: Practise your number formation on the laminated sheet in your home learning pack. Once you have finished, are you able to write the numbers on a whiteboard without tracing them?

Writing: See Understanding the World task below.

Physical Development: Put on your favourite song and dance! Can you get your whole family involved?

NOTE: Every weekday morning at 9am, The Body Coach will be doing a 30 minute PE lesson for children of all ages on his YouTube Channel - you just need to tune in.

Understanding the World: It is almost Easter! Watch this video https://www.youtube.com/watch?v=StlJgYF-Ki8 and then write about how you celebrate Easter in your red book. If you do not celebrate Easter, can you write about a different celebration?

Please date and sign your child's daily work when it has been completed.

We wish you all a very happy and healthy Easter break. We look forward to hearing all about it soon!
