Morning Message

Good morning,

Are you ready to play Phonics Bingo - get your pen and paper ready. Today we will focus on 'ch' and 'sh' words. Here are the bingo cards for the game today:

shop ☆	cash ☆	chop ☆	chip ☆
shed ☆	bash ☆	chin ☆	chill ☆
shell ☆	hush ☆	chug ☆	much ☆
fish ☆	rush ☆	check ☆	rich ☆
shock ☆	wish ☆	such ☆	ship ☆

Live sessions today will happen at 10am (phonics), 12pm (dough disco).

We will list the items here that you will need for the live sessions:

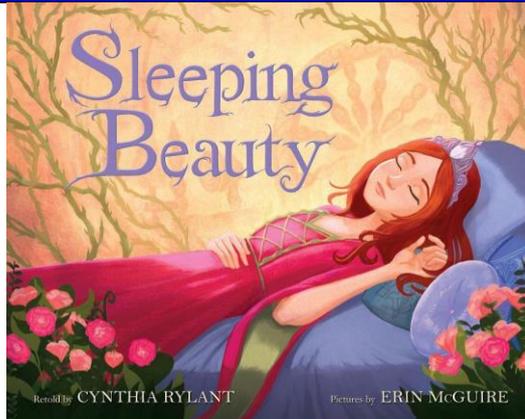

Phonics - You will need your bingo card and a pencil/marker to tick off your words.

Dough disco – You will need some playdough or something else malleable that you can squeeze, pinch and roll.

Have a wonderful weekend.

Ms Mulry and Ms O'Sullivan

Writing

This week we are reading *Sleeping Beauty*. We have uploaded a PDF of the story onto Google Classroom if you need it.

Writing Task:

In the story, the fairies gave a gift to *Sleeping Beauty* when she was born. Why do you think she was given gifts? Was it because she was a princess or because she was a new baby? What do you think a new baby might need? How might you welcome a new baby?

Can you draw and label what a new baby might need?

Reading

Complete the following tasks:

Circle the pictures with the 'ar' sound.

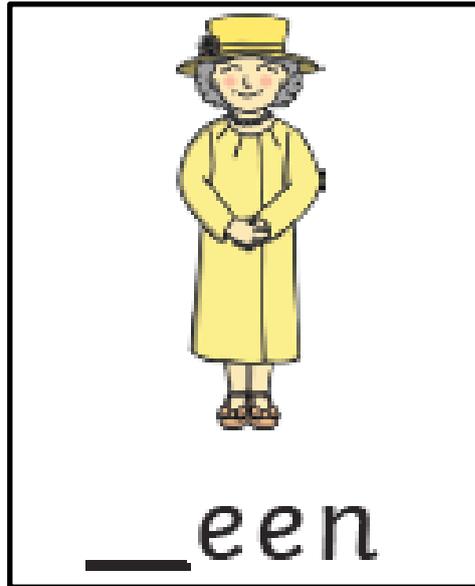

Circle the picture that matches the sentence.

The shark has sharp teeth.

Circle the picture that matches the sentence.

A crab crept in the rock.

Phonics

Live session follow up activity:

Tricky word roll it

Draw six columns like in the picture below. Use new words **so, do, what, you, have, were** for 'tricky word roll it'. Assign each word a number on a 1-6 dice. When you're ready, play the game with a partner.

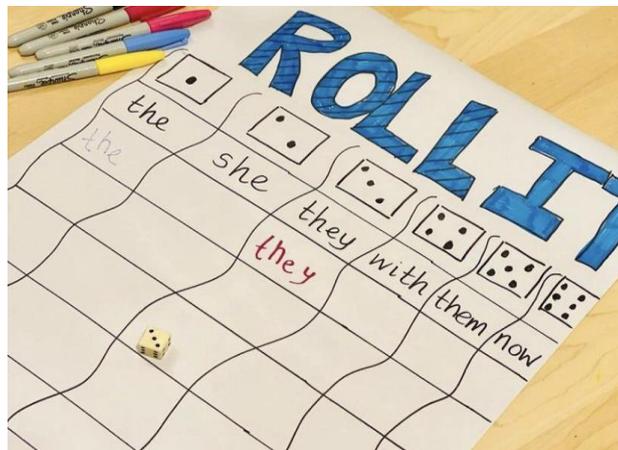

Rules:

Roll the dice. Say the word under that number.

Write the word again in the column.

Roll the dice again.

Repeat until all columns are full!

Here is a link to an online dice if you do not have one at home:

Maths

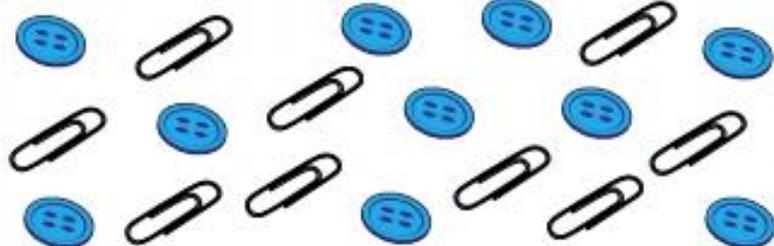

Maths follow up activity:

Complete page 7 in your Power Maths book B. Use your ten frame to support you with making 9 or 10 in different ways. How can you use the paper clips and buttons to help you? Can you list how many ways you found to make 9 or 10?

Reflect

Unit 7: Numbers to 10, Week 3: Counting to 9 and 10

How many  are there?

There are _____ .

There are _____ .

Can you count the ?

Ask **Strengthen:** What can you use to help you count the items? Can you put a cube or counter on top of each button? How could you use the ten frame to help you count the cubes? Can you cross each item out as you count it? Can you say the sentence aloud? 'There are ___ buttons.'

Deepen: How can you use cubes or counters to help you count the items? Can you number each item in the picture? Can you complete the sentences using numerals? (Children who are not confident writing numerals to represent an amount can say the sentences out loud, or can draw the appropriate number of counters to represent the amount of each item.)

Topic Work (for the week)

Choose an activity to complete today

Creative

Task 1

We have set you two new tasks on Purple Mash. Follow this link and log in using the details on your yellow card: <https://www.purplemash.com/sch/princessfrederica> Remember to save your work so your teacher can see it and leave a comment for you to read!

Task 2

Make a symmetrical butterfly with paints:

Fold an A4 piece of paper or card in half. Paint one side of the butterfly and then fold the page to see the paint transfer to the other side. You now have a symmetrical butterfly (that means that both his wings are the same or identical). What other pictures could you make using this method?

Task 3

Art with nature:

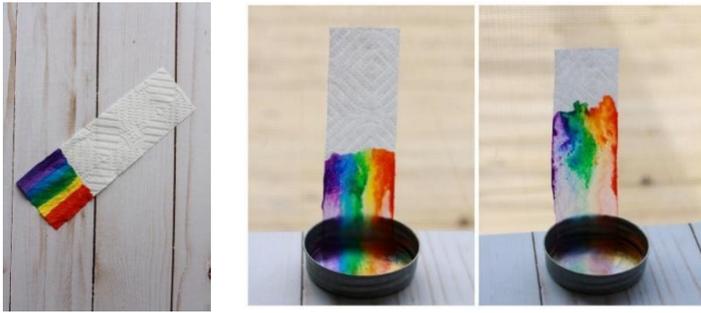

Go into your garden (or the park) and collect some natural objects (flowers, leaves, twigs, branches). What kind of picture can you create? Maybe you could make some nature people like the ones in these examples.

Task 4

Climbing rainbow experiment:

Fold a paper towel in half and colour one end with lots of different coloured markers (like in the picture). Let the paper towel dry fully. When dry, place it in a glass of water (only use a small amount of water so just the bottom of the paper towel touches it). You might need to tape the top of the paper towel to something like the window so it stands upright. Then watch as the rainbow climbs the paper towel.

Task 5

Let's do some role play! Who could you be? Do you have any fancy dress clothes to help you become a character? Maybe you could be a superhero - what will your powers be? Or perhaps you would like to play in your pretend kitchen - what will you cook? Will you have a restaurant? Maybe you could make a menu.
