28/01/21

Morning Message

Good morning,

This week, the RSPB are hosting the Big Garden Birdwatch from 29th to 31st January. Everyone can take part for free and by doing so, you will be helping the RSPB to collect data which will increase their understanding of the challenges faced by wildlife. Visit their website to sign up and find out more - <https://www.rspb.org.uk/get-involved/activities/birdwatch/>

Live sessions will happen at 10am (phonics), 1pm (maths) and 3pm (story) each day.

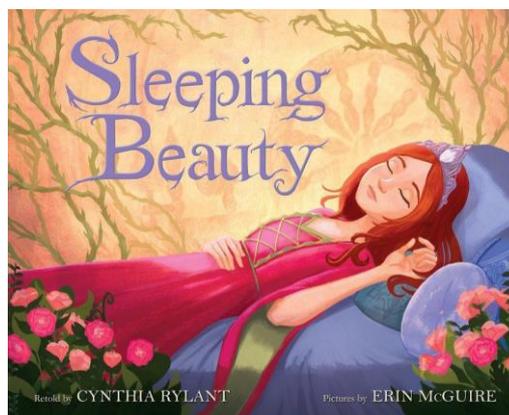

We will list the items here that you will need for the live sessions:

Phonics - You will need paper and a pencil for writing sentences today.

Maths - You will need your ten frame and counters. You will also need two groups of clearly distinct objects – e.g. pencils and Lego; toy animals and superheroes; coins and sweets, etc.

Ms Mulry and Ms O’Sullivan

Writing

Writing Task:

Today we would like you to finish off writing your own version of Sleeping Beauty. How will the story end? Will the characters live happily ever after or will there be a sad ending? Make sure you have

illustrated your story and created a front cover. We can't wait to display your books in class when we get back to school!

Reading

Read the questions below and answer yes or no:

Phase 3 Yes/No Question Cards (1-6 GPCs)

Can wax get hot?

Phase 3 Yes/No Question Cards (1-7 GPCs)

Is a lemon red?

Phase 3 Yes/No Question Cards (end of Phase 3)

**Can a hammer chop
wood?**

Phonics

Live session follow up activity:

Read the **ur** words on the golden coins. Which words are real and should go in the treasure chest and which are alien words?

churn

thurp

burp

burn

turn

lurp

church

hurt

zurm

Maths

Live session follow up activity:

Complete page 9 in your Power Maths Book B. Parents and carers, please ask your child the questions at the bottom of the page to deepen their understanding:

Draw more flowers.

I think there is more than one way to do this!

Strengthen: How many flowers are there? Can you think of a number more than 5? Can you check by using counters?

Deepen: Is there more than one possible answer? Is your answer the same as your partner's? Can you make the flowers different shapes and sizes? How many more flowers have you drawn?

Physical Development

Today we want to see if you can raise your heart rate by putting all your energy into these exercises! Do these exercises for a minute each. How many times can you repeat the circuit?

Jogging on the Spot

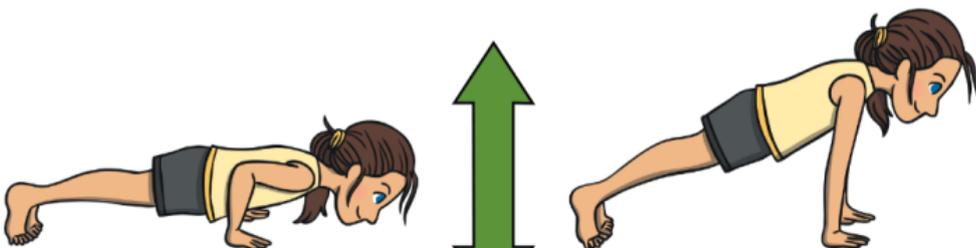

Jog on the spot and try your best to keep in the same place.

twinkl
visit [twinkl.com](https://www.twinkl.com)

Press-Ups

You can put your knees on the floor to make the move easier.

twinkl
visit [twinkl.com](https://www.twinkl.com)

Burpees

Try to maintain the same pace completing burpees. Try to keep your toes pointed and your legs straight.

What is a burpee?

Standing with your feet at shoulder width apart, bend from the knees and place both palms on the floor. Place your right foot back and then your left foot so that you are in a plank position. Bring your right leg and then left leg back into squat position and then jump. Repeat.

High Knees

Raise each knee in front of you, one at a time, as high as you can. To make this more challenging, try to do this quicker.

Topic Work (for the week)

Choose an activity to complete today

Task 1

We have set you two new tasks on Purple Mash. Follow this link and log in using the details on your yellow card: <https://www.purplemash.com/sch/princessfrederica> Remember to save your work so your teacher can see it and leave a comment for you to read!

Task 2

Phonics/Number Bowling:

Using empty bottles for bowling pins, write some words or numbers on paper and tape to your bottles. Using a soft ball or football, roll towards your bowling pins. How many have you knocked down? Can you say the numbers/words you knocked down?

Task 3

Magic Puff Paint Art:

You will need

- 1 cup flour
- 3 teaspoons baking powder
- 1 teaspoon salt
- Enough water to make it like pancake batter

Mix the batter, split into four zip lock bags and add food colouring or paint. Snip the edge off each bag. On card/paper, create your art work. Once complete, microwave for 30-45 seconds - watch your paint puff up and grow!

Task 4

Create a marble run. You will need some empty cardboard tubes (toilet rolls/kitchen rolls), scissors, tape, a marble or small ball.

Cut some tubes in half, make a slit in the solid tubes and assemble.

Make it as big or as small as you want (depending on how many tubes you may have).

Task 5

Make a space rocket. You will need a bottle, tin foil, tape, coloured card or white paper and markers. Cover your bottle in tin foil, make various shapes for the windows and a triangle shape for the top. Here are some pictures for inspiration. Be creative - you can make your rocket any way you like!
