

Primary School PE and Sports Funding 2016-17 (September 2016 to September 2017)

What is the purpose of the sports premium?

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2016 to 2017 academic year, to encourage the development of healthy, active lifestyles.

How much funding have Princess Frederica received this year?

The school has received £9,725 in funding for the period September 2016 to September 2017.

How is this allocation being used by Princess Frederica and what is the impact it is having?

Objective	Tasks or Use of Funding	Impact and Evaluation
Extend provision for the most able children in PE. Capital City Partnership - £1,500	To give leadership opportunities with most able children in PE to model effective practise with younger children in school, through the PE and Sports Leaders Programme (through partnership with Capital City Academy).	Play Leaders training course (12 children) at Willesden Sports Centre. The children are now more active at break and lunchtimes. Our play leaders are actively supporting/helping with various activities during break and lunchtimes in ALL Key Stages.
	After school provision in athletics provided by PE coordinator lead.	Most able athletes now take part in athletics club and running club with high quality training on improving technique.
Increase opportunities for children to enjoy sports at high quality venues with high quality resources. Capital City Partnership - £1,500	After school athletics club on a club running track.	Children have the opportunity to run on a high quality surface for appropriate lengths with feedback and teaching that has greater value for improvement.
	Use of 3G football pitches for school football (intra-competitions) and borough competitions.	Children use pitches on a regular basis for football matches.
	PE afternoons led by PE	Children use (within school

	leader using resources provided by Capital City.	hours) quality resources in PE that are only available at secondary schools.
	Secondary leaders teaching smaller groups and whole classes on quality surfaces.	Children have the opportunity to work with lead secondary students in smaller groups and on different surfaces with different resources.
	After school opportunities (primary nights) for different sports such as badminton, table tennis.	Children have more access to sports opportunities and facilities outside of school hours.
Funding for development of staff to improve their knowledge of skills, confidence and ability to teach PE to at least a good standard. PE Teacher- TLR- £2,560	Work with identified teachers in a clear and structured way to improve PE teaching and children's learning. Enable others to become confident in the subject for any possible succession into a leadership role linked to PE.	Teachers more confident with teaching PE. Impact on bringing importance of being active into everyday learning as well as in PE lessons.
Enable participation in competitive sport at a variety of different venues. Minibus- £533.14	School mini-buses for transport of children to various competitions/tournaments. Boys & Girls football, Brent Athletics meeting, Queens Park Cross-Country, Indoor Athletics meeting, After school Athletics Club	Princess Frederica is now a very active school in Brent for sports, attending various different festivals/competitions/matches. The children benefitting from competing against children from other schools. The mini-buses making this accessible and easier to attend more fixtures.
To continue to ensure that all children have access to high quality resources so they have access to a variety of sports and games. Javelins - £249 Hire of sports field- £235.42	Use of javelins added to resources already accumulated for the improved provision for teaching different disciplines within athletics.	Children more able to develop key skills as well as working more specifically with individual disciplines.
	Use of a sports field giving children ability to fully engage in sports and activities on sports day.	Children are more effectively identified for further provision on sports day as there are greater opportunities to excel and in more disciplines.
To encourage children to participate in different sports and understand the importance of not just taking part, but also healthy competition and the reward that comes with it. Medals - £158	Opportunities for healthy competition such as mini football tournaments and school sports day.	Children enjoy being rewarded with medals and competition has a direct result that is measurable for children. Also, all children's participation is recognised by giving a medal.

Enrich the curriculum with outdoor & adventurous activities. Residential visits - £1,400	To help with any financial assistance where necessary for children to take part in the different residential trips. Provide subsidy to residential visits. Use of school mini-bus for transport to centres. Additional allowances for staff to participate in out of hours and residential activities.	YR2 Night in school. YR3 Lincolnsfield. YR4 Gordon Brown. YR5 Ironbridge. YR6 France. The children improve on their social and organisational skills and helps build on their independence and confidence. Enriches the curriculum for them with experiences they wouldn't otherwise have.
