

Primary School PE and Sports Funding 2018-19 (September 2018 to August 2019)

What is the purpose of the sports premium?

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2018 to 2019 academic year, to encourage the development of healthy, active lifestyles.

How much funding have Princess Frederica received this year?

The school has received £19,440 in funding for the period September 2018 to end of August 2019.

How is this allocation being used by Princess Frederica and what is the impact it is having?

Objective	Tasks or Use of Funding	Impact and Evaluation
Increase opportunities for children to enjoy sports at high quality venues with high quality resources. Capital City Partnership - £1,700	After school provision in athletics provided by PE coordinator lead.	Most able athletes now take part in athletics club and running club with high quality training on improving technique.
	After school athletics club on a club running track.	Children have the opportunity to run on a high quality surface for appropriate lengths with feedback and teaching that has greater value for improvement.
	Brent Swimming gala Brent indoor athletics tournament	Children had the opportunity to participate at competition level and compete against other children of the same age.
	Use of 3G football pitches for school football (intra-competitions) and borough competitions.	Children use pitches on a regular basis for football matches.

	PE afternoons led by PE leader using resources provided by Capital City.	Children use (within school hours) quality resources in PE that are only available at secondary schools.
	Secondary leaders teaching smaller groups and whole classes on quality surfaces.	Children have the opportunity to work with lead secondary students in smaller groups and on different surfaces with different resources.
	After school opportunities (primary nights) for different sports such as badminton, table tennis.	Children have more access to sports opportunities and facilities outside of school hours.
Funding for development of staff to improve their knowledge of skills, confidence and ability to teach PE to at least a good standard. PE Teacher- TLR- £2,667	Work with identified teachers in a clear and structured way to improve PE teaching and children’s learning. Enable others to become confident in the subject for any possible succession into a leadership role linked to PE.	Teachers more confident with teaching PE. Impact on bringing importance of being active into everyday learning as well as in PE lessons.
PE leader training and attendance at development meetings with other PE coordinators. PE Leader training - £1,000	Aware of different events happening within the borough including tournaments, new initiatives and opportunities and making links with other schools.	Greater number of opportunities for children in the school, especially children identified as talented in a specific area.
Enable participation in competitive sport at a variety of different venues. Minibus- £1,350	School mini-buses for transport of children to various competitions/tournaments. Boys & Girls football, Brent Athletics meeting, Queens Park Cross-Country, Indoor Athletics meeting, After school Athletics Club	Princess Frederica is now a very active school in Brent for sports, attending various different festivals/competitions/matches. The children benefitting from competing against children from other schools. The mini-buses making this accessible and easier to attend more fixtures.
To continue to ensure that all children have access to high quality resources so they have access to a variety of sports and games.	Use of a sports field giving children ability to fully engage in sports and activities on sports day.	Children are more effectively identified for further provision on sports day as there are greater opportunities to excel and in more disciplines.

Hire of sports field- £300		
To encourage children to participate in different sports and understand the importance of not just taking part, but also healthy competition and the reward that comes with it. Medals - £300	Opportunities for healthy competition such as mini football tournaments and school sports day.	Children enjoy being rewarded with medals and competition has a direct result that is measurable for children. Also, all children's participation is recognised by giving a medal.
To meet National Curriculum requirements for the topic of outdoor adventurous activities in PE for the whole school OAA resources and training £2,836	Preparation and mapping of school grounds for orienteering and mapping. CD with lessons plans, games and activities. Making of plaques to be sited around school grounds.	Children enjoy outdoor learning. They gain life skills (map reading, social skills, team building)
For continuity of a high standard of PE lessons for when PE teacher is out of school or needs support Training of 2 LSAs for a half day each week £4,650	Training of LSAs to lead/assist PE lessons and after school sports clubs	Wider availability of trained adults to lead PE and other sports related curriculum
To ensure children are active during playtimes and lunchtimes Playground equipment £2,100	Purchase of various play equipment including: goalposts, balls, skipping ropes, bean bags, stilts, hoops	Children enjoy engaging with a range of different play equipment and activities at break times.
Enrich the curriculum with outdoor activities Residential visits £2,300	To help with any financial assistance for children to take part in the different residential trips. Use of mini bus for transport to centres. Allowances for staff to travel to centres for new trips risk assessments: Year 3 Celtic Village, Year 6 The Rock Summit	The children improve social and organisation skills and helps build their independence and confidence. The trips enrich the curriculum with experiences that they wouldn't otherwise have.
