

“Stay on Green” KS2

The way it works...

- The chart has 30 pockets; each class has 30 green cards that fit into the pockets – one for each child.
- Each day begins with you on green. You should aim to Stay on Green the whole day.
- An adult will give you one verbal warning with an opportunity to do the right thing.
- If the behaviour is not changed, you receive a yellow card and possibly time out in the class or in the DOTLs room (All classes have a quiet time-out table/area). This is time for you to reflect and should be 5 minutes (no more than 10 minutes).
- If there is no improvement in the behaviour, you will then go to the DoTL of your phase with the work you have to do and get a red card. The class teacher or LSA will record your name in the incident file and you will have to attend detention at playtime the following day.
- Children in Key Stage 2 have detention for 30 minutes. Detention will normally be taken by a named member of staff and you will be sent to him/her at lunchtime. Your parent/carer will be informed verbally either at the end of the day or by phone or through a standard letter.
- If you go on yellow three times during a week, you will automatically have a red card on the third count.
- A third red card in a half term will result in an after school detention and could also warrant a meeting with the Headteacher.
- At this meeting a pastoral support plan/CAF may be drawn up with your parents and external agencies will be involved if you are considered as being at a risk of having a fixed term exclusion.
- At the end of the day the LSA in the class makes a note of children who did not Stay on Green.
- Stay on Green cards go home every half-term for your parents/carers to note.
- Children who Stay on Green for the entire half-term receive house points and an acknowledgement in assembly.
- Certificates are awarded for a half term, whole term or the whole academic year as applicable.
- Children who Stay on Green will be rewarded with an extra playtime, certificates, wallet cards and in some instances, a special mention. Stay on Green records will be looked at when appointing prefects.
