22nd January 2015

Dear Parent and Carers,

As a paperless school, we always aim to reduce the amount of paper we use. Therefore on a weekly basis your child's Singapore Maths workbook will be sent home with a post-it note indicating which pages are to complete that week.

These books are also used in class therefore, our expectation is that the maths homework sent out on a Friday is completed and returned on the following Monday. Regular completion of homework in this manner ensures that the children are well prepared for the next step in their learning.

We ask that children complete ONLY the specified pages and do not move on to further tasks, as the Singapore Maths programme must be followed and taught methodically to ensure a secure understanding.

At Princess Frederica we encourage our children to take pride in their work so please ensure the book is put in the book bag to keep it in good condition. The loss of a book means the loss of your child's progress record and an added cost for you, to get a new book.

Please speak to your child's class teacher if you have any questions.

Counting on your cooperation in this matter.

Thank you.

Yours sincerely,

Mrs S Nettey
Headteacher
