

Art Knowledge Organiser - 3D Sculpture

Key Vocabulary

layer, decoration, surface, harden, shape, colour, abstract,

Things to know

- Sir Howard Hodgkin was a British painter.
- He is thought to be one of the most important British painters of his time.
- He specialised in abstract art

Assessment Question:

How can shape inspire designs?

Skills

- Learn about the work of Howard Hodgkin (a modern British artist)
- Using brown gummed tape to create 3D art
- Develop a design in response to the work of a famous artist
- Use shapes and colours to create their own design and transfer their design onto the 3D sculpture.

Examples
