Reading

Day 5

Answers to Wednesday's questions, please mark your work.

1. Jesus 'exchanged his clothing for uncomplicated servant clothes'
The disciples could not believe that they were witnessing Jesus perform his lowly act'.
2. There were many people who didn't like him due to his popularity and wanted to see him dead.
3. I think the meal is known as the Last Supper because it was the last meal that Jesus shared with his friends before his death.
4. By washing his disciples' feet, Jesus was trying to teach them that it is important to be kind and compassionate to others whatever your status in the world.
5. Judas felt ashamed that he was going to betray Jesus and didn't want the other disciples to know because they were all friends of Jesus and he would feel embarrassed.
6. I think the story of The Last Supper can still be important to people in the world today because Jesus' humble act encouraging kindness and equality among people is still an important message relevant for today's world.

Extension:

Art: Now illustrate The Last Supper scene with all the disciples and Jesus.

Foundation Work (for the week)

Art- due Friday at 12pm

MONOGRAMS:

This week you are going to use your printing skills to design a PE bag which will hold your PE kit next year.

It will have your Monogram on the front which means a pattern made from your initials.

Design brief:

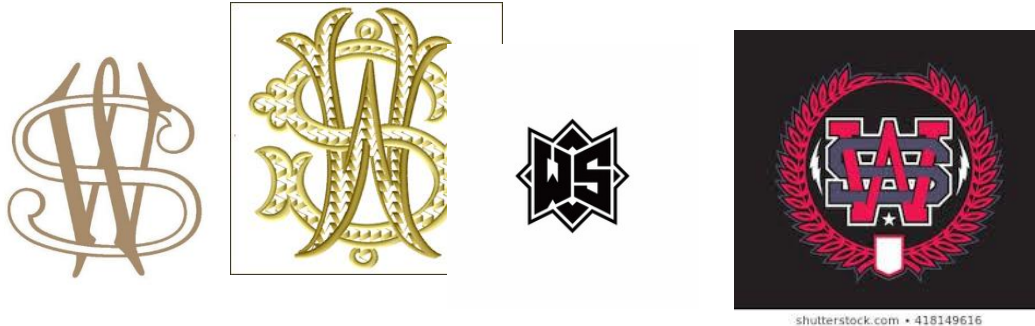

1. Your design must incorporate your initials.
2. Your design must be a repeat.

Method.

1. Write your initials out (for example William Shakespeare would have the initial WS)
2. Rearrange them so they fit together and make a symbol. Use your home learning book to sketch some ideas. Here are some examples.
Draw/photocopy or make a block and design a repeat in your home learning book
3. Go to **Purple-mash**.
4. **There is a 2Do** and put your design into the magnifying glass and it will repeat for you. Save and share and we will be able to see what you have designed.

You may want to have a go at making a PE bag. Here is a video to help you.
