

HOME LEARNING

YEAR 4

26/06/2020

Morning Message

Bonjour Year 4! Comment ça va?

Happy birthday to the following children whose birthday falls on the 27th June which is Saturday.

Claudia Phillips

Drew Reid-Prince

Here is the zoom meeting ID, which will be the same for all lessons.

812-8477-8145

Your parents will receive the password via email.

Friday is a spelling test day. There's also a times-tables test in the maths section for today. Then check your maths work from this week and catch up on Mathletics.

Check you have finished and saved your quiz on Purple mash.

Please also **remember to log on to Accelerated Reader** when you finish a book to complete a quiz. Continue practising your spellings and multiplication tables. For this, you will be using Purple Mash-**Monster Multiplication**. Please make sure you read every day.

Have a lovely weekend!

Ms Foster, Ms Greenaway & Mr Sowa

Today's Picture

Writing

Friday

LO: to proof-read and edit

Today you have 3 tasks:

1. Finish your leaflet.
2. Proof read your writing: check for spelling and punctuation errors.
3. Edit your writing: Improve some of your words or rewrite sentences to make them even more persuasive.

Reading

Day 5

Answers to Wednesday's questions, please mark your work.

- Queen Elizabeth was born on 21st April, 1926.
- The Queen's actual birthday is in April and the official birthday is in June.
- The Queen celebrates two birthdays after George II thought it would be too cold in November to parade on his birthday, so he celebrated it as part of the Spring Trooping the Colour parade. The tradition has continued ever since.
- The three main locations for the Trooping the Colour parade are Buckingham Palace, the Mall and Horse Guards Parade.
- I think it may be expensive to celebrate two birthdays if you have to hold two parties- especially if you have party bags for everyone.
- Queen Elizabeth II passed Queen Victoria as longest reigning British monarch. Queen Victoria was Queen Elizabeth's great-great grandmother.

If you have to organise **The Queen's birthday celebrations**, plan a weekend of activities that she may enjoy. Give reasons for your choices.

Children to access Accelerated Reader whilst at home.

Please follow the link below to the exact same page as the children have seen in school:

<https://ukhosted3.renlearn.co.uk/1922510/Public/RPM/Login/Login.aspx?srcID=s>

Maths

Time table test will be dictated by teacher and marked together.

11 x 9=	132 ÷ 12=
450 ÷ 25=	49 ÷ 7=
7 x 9=	264 ÷ 11=
650 ÷ 50=	11 x 9=
8 x 8=	600 ÷ 10=
121 ÷ 11=	8 x 7=
63 ÷ 9=	650 ÷ 50=
5 x 7=	7 x 4=
242 ÷ 11=	9 x 8=
80 ÷ 4=	9 x 9=

Please use today to catch up on any learning not completed in the week (**including finishing any Mathletics tasks set or anything else maths related**).

Please, Friday's will be a day of catching up and review of material learnt to ensure clear understanding.

Tuesday and Thursday: Go on the Mathletics website to complete the tasks that have been set.

<https://www.mathletics.com/uk/>

Weekly Spellings

Spelling focus for the week: We are revising the statutory spelling words for Year 4.

intestines	continue	special
cardiovascular	library	promise
group	extreme	digestive tracts
chyme	height	cholesterol
decide	gastric ulcer	island

You should know what the word means and be able to use it in a sentence.

Foundation Work (for the week)

Geography - due Friday at 12pm

North America: Fault lines and earthquakes

This week our foundation subject is **geography**.

Previously we learnt about the different cities in the USA.

San Francisco is a city on the West Coast of America.

San Francisco is built on top of the **San Andreas fault line**.

This is where the **Pacific plate** meets the **North American plate**.

The earth's crust is made up of large **tectonic plates**.

When these plates meet this is called a **fault line**. This is where **earthquakes** happen.

This week we are going to learn about:

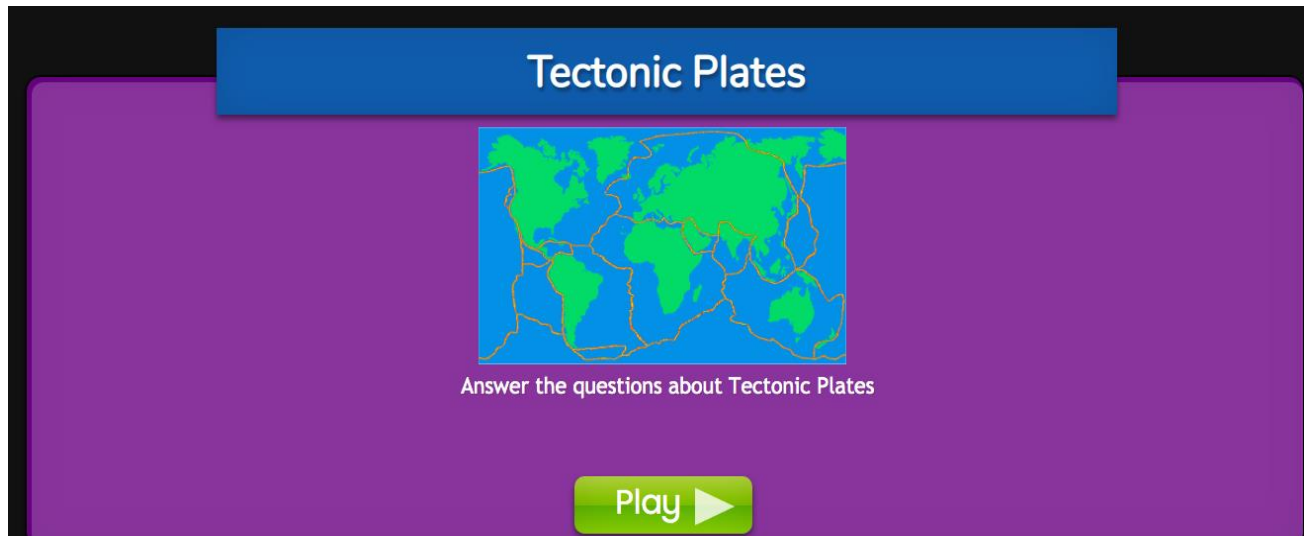

1. Where fault lines are.
2. Tectonic plates and earthquakes

Use the links to find out to learn all about tectonic plates and earthquakes:

<https://www.dkfindout.com/uk/earth/earthquakes/>

<https://www.bbc.co.uk/bitesize/topics/z849q6f/articles/zj89t39>

There is a quiz on purple mash when you are ready:

The image shows a screenshot of a quiz interface. At the top, a blue banner contains the title "Tectonic Plates" in white text. Below the banner is a world map with tectonic plates outlined in orange. Underneath the map, the text "Answer the questions about Tectonic Plates" is displayed. At the bottom center, there is a green button with the word "Play" and a white right-pointing triangle.

Diary

Write a diary of what work and activities you did today.
Remember to include your **emotions and opinions**.
