

HOME LEARNING

YEAR 5

5/06/2020

Morning Message

Happy Friday Year 5,

Today your story will end. You will have the opportunity to finish writing it and then proof check it for any errors. If you can, use an online thesaurus to up-level some of your words. For maths every Friday, you will now have a mental maths test to complete.

Answer to Thursday's riddle:

The letter 'e'

Today's riddle:

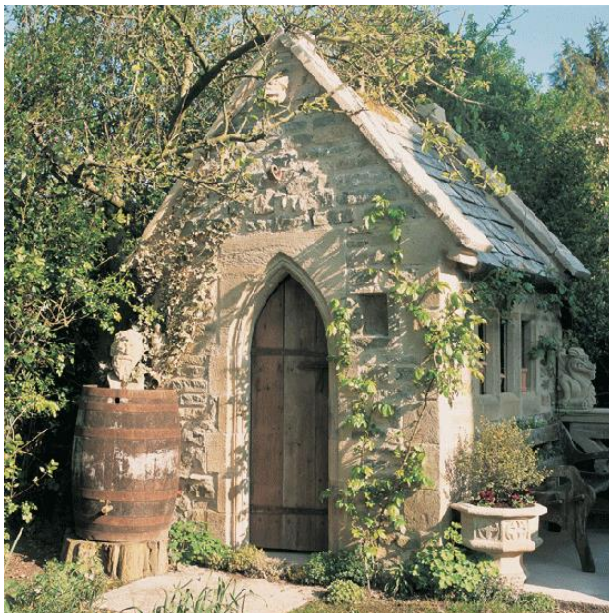

What can you break, even if you never pick it up or touch it?

Have a lovely day,

Ms Gayer and Mr McCann

p.s we want to wish Prosper a big happy birthday for tomorrow. We hope you have a lovely day!

This week's Pictures

Writing

This week we will be writing an adventure story based on the pictures above. Imagine a child has just moved to a new home in the country with their family. The child explores the huge garden of their new home with their pet dog and discovers the little building above tucked away. The character enters the building. Inside it is much bigger than it looks outside. They meet the wizard pictured above. The wizard utters a single sentence...

Friday: LO to write

Today you have 3 tasks:

1. Finish writing your story if you haven't yet
2. Proof read your story: check for spelling and punctuation mistakes
3. Edit your story: can you choose better words/ rewrite sentences to make them more effective

Reading

Day 5 – Prediction/Summarise

1) Write a prediction for what you think will happen in the rest of the story 2) Write a summary of the extract in 3 sentences 3) What are the themes of the story from the extract? Some questions to think about: Do you think the story is set in the present, past or future? Do you think the character is alone or has family? What do you think will happen next?

Maths

Today you have the opportunity to go back over any work that you did not fully understand or manage to finish (perhaps the bank holiday Friday work). If you have completed all the work, you could use this opportunity to go on Mathletics or monster multiplication.

If you can also complete the mental maths test below. This is a speedy test and should take no more than 10minutes.

1) 70×3	11) 90×80
2) 9×40	12) 70×20
3) 80×7	13) 60×60
4) 12×13	14) 11×70
5) 6×81	15) 11×13
6) $444 \div 4$	16) $96 \div 8$
7) $864 \div 8$	17) $472 \div 4$
8) $459 \div 9$	18) $904 \div 2$
9) $256 \div 8$	19) $895 \div 5$
10) $3570 \div 3$	20) $288 \div 3$

Weekly Spellings

The rule for this week is **endings spelt –**. Please practise learning the words every day by putting the words in sentences and get an adult to test you on Friday.

e.g. The young girl was transferring from a different school.

Foundation Work (for the week)

Science– due Friday at 12pm

Make sure you read these instructions carefully because these will tell you the task. In science our topic for this half term is animals including humans and focusses on the changes that happen to us from baby to adult. Complete the poster using the internet to help you research.

Diary

Write a diary of what work and activities you did today. Remember to include your emotions and opinions.
