

HOME LEARNING

YEAR 5

8/05/2020

Morning Message

Bor Da Year 5,

Happy Bank Holiday! We do hope you enjoyed yesterday's learning and wrote some brilliant dialogues. Today you have a Superman themed image to support your writing and you will see that Maths on a Friday has now changed to a 'Checking Day'. This means instead of having a brand new lesson you should use this time to catch up on any work that you have missed in Maths, mark answers from the previous four days and complete Mathletics work.

Answer to Thursday's riddle:

Your age

Today's riddle:

What can you catch but not throw?

Have a brilliant weekend,

Mr McCann and Ms Gayer

Today's Picture

Writing

Superheroes to the rescue!

Write a non-chronological report about Superman or another superhero of your choice.

Remember to include:

- An opening paragraph
- At least 3 Subheadings (Where do they live? What are their superpowers? Which villains do they fight? Etc.)
- Relative clauses and parentheses
- Technical vocabulary for that superhero
 - A 'did you know?' box

Reading

Day 5 – Prediction/Themes of the extract

- 1) Write a prediction for what you think will happen next in the story.
- 2) What do you think the major themes are of the extract? Use the text to explain your answers.

Some questions to think about:

Knowing the title of the story is Trapped what do you think will happen to Alma?

By what happens in the extract, do you think the story is full of mystery? Horror? Fear?

Maths – Checking Day

Today you have the opportunity to go back over any work that you did not fully understand or manage to finish. If you have completed all the work, you could use this opportunity to go on mathematics or monster multiplication.

Weekly Spellings

The rule for this week is **endings spelt –ant, -ance or –ancy**. Please practise learning the words every day by putting the words in sentences and get an adult to test you on Friday.

e.g. **The teacher was extremely tolerant.**

expectant
hesitance
tolerant
participant
substance
abundance
extravagance
buoyancy
consultancy
acquaintance

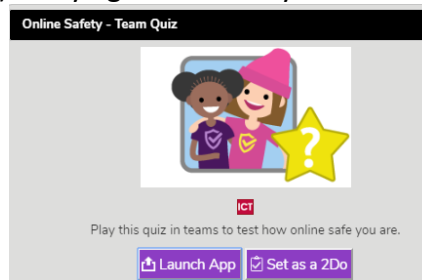

descendant
reluctancy
dominant
expectancy
frequency
assistance
observant
flamboyant
relevancy
consultant

Foundation Work (for the week)

Computing (due Friday at 12pm)

As you know internet safety or E-Safety is very important and something we look at throughout the academic year. For this week's task we have set you two quizzes that you have to complete using your previous knowledge of how to keep safe.

- 1) Play against a family member

- 2) Complete yourself

Go to the red To Do button at the top left of your screen. When you have finished your work for the day, click on the red arrow at the top right of the screen and then save and exit. You will be asked if you want to continue the work or hand it in. Only hand it in when you have finished your weekly task and then your teacher can look at your work.

Diary

Write a diary of what work and activities you did today. Remember to include your emotions and opinions.
