## Foundation Work (for the week)

### History– due Friday at 12pm

Continuing into this term our topic in history is The Victorians. If we were in school we would have visited The Ragged School Museum which is a still standing school building used by some Victorian children. Your task is to research what school was like for children in the Victorian times and complete the activity.

Questions to think about: Could all children go to school? What were Ragged Schools? What happened to children who did not go to school? Was school different to what it is now?
