

HOME LEARNING

YEAR 5

19/06/2020

Morning Message

Meeting ID: 751 802 3376

Happy Friday Year 5,

We really hope that you have enjoyed this week's home learning and have written some fantastic, gripping stories! We can't wait to read them. For maths today you will be completing the weekly mental maths tests and catching up on any maths work that you may have missed earlier in the week.

We would also like to wish Rosa a big Happy Birthday from everyone in year 5! 😊

We hope you all have a lovely and restful weekend.

Answer to Wednesday's anagram:

Father Christmas

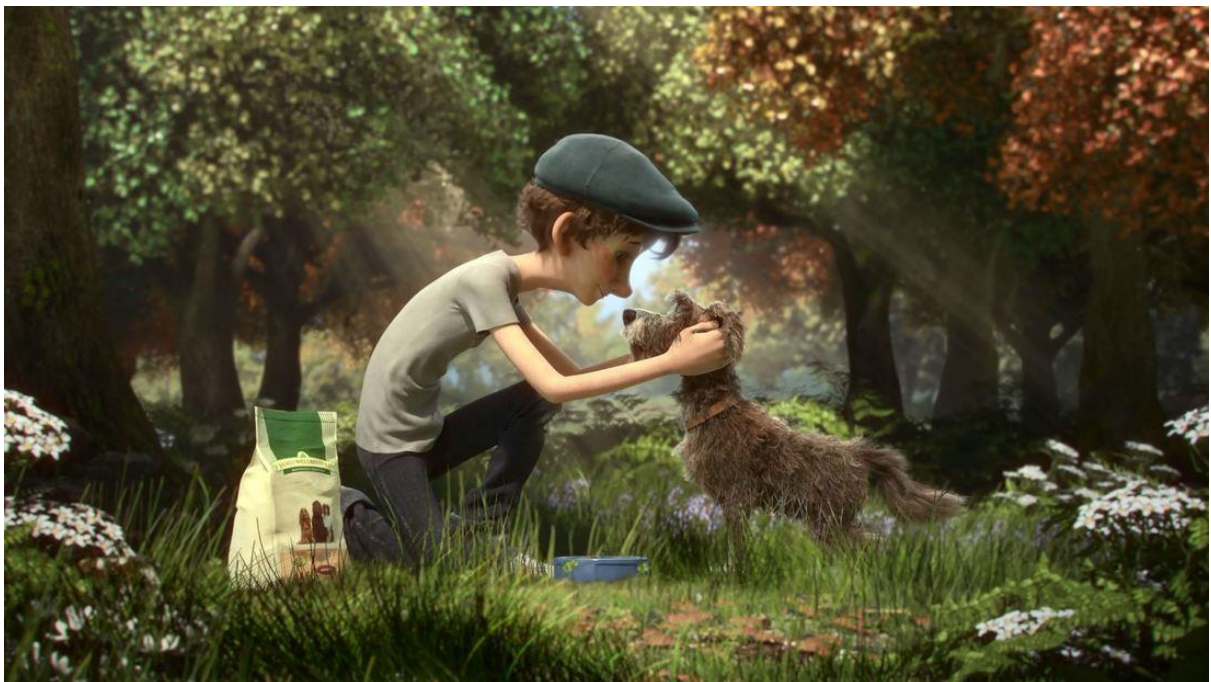

Today's anagram (is actually one word):

voices rant on

Enjoy the learning,

Ms Gayer and Mr McCann

This week's Pictures

Writing

Friday: LO to write

We hope you have enjoyed getting creative and writing this story.

Today you have 3 tasks:

1. Finish writing your story if you haven't yet
2. Proof read your story: check for spelling and punctuation mistakes
3. Edit your story: can you choose better words/ rewrite sentences to make them more effective

Once you have finished writing and editing your stories see if a family member would like to listen to you read it to them!

Reading

Day 5- Prediction/summarise

- 1) Write a prediction for what you think will happen in the rest of the story
- 2) Write a summary of the extract in 3 sentences
- 3) What are the themes of the story from the extract?

Some questions to think about: do you think the character is alone or has a family? Do you think Ruby is liked by other who live in the Badlands and why?

Challenge: draw a picture of how you think Ruby looks.

Maths

Today you have the opportunity to go back over any work that you did not fully understand or manage to finish. If you have completed all the work, you could use this opportunity to go on Mathematics or monster multiplication.

If you can also complete the mental maths test below. This is a speedy test and should take no more than 10minutes.

1) $1.2 + 3.42$	11) 23.1×10
2) 0.12×10	12) $3.23 + 8.9$
3) 2.3×10	13) 80×30
4) $8.62 - 3.8$	14) 12×12
5) Write down the number sixty thousand, nine hundred and thirty-four.	15) 9×100
6) CCXLII =	16) $112.1 + 4.1$
7) $784 \div 4$	17) I have £10. I spend £2.70. How much do I have left?
8) $333 \div 3$	18) A pen costs £3.20 and a pencil case costs £5.32. How much do they cost altogether?
9) $8962 \div 2$	19) $255 \div 5$
10) $795 \div 5$	20) $242 \div 2$

Weekly Spellings

The rule for this week is words containing the letter-string **-ough**. Please practise learning the words every day by putting the words in sentences and get an adult to test you on Friday.

e.g. The engine gave out a loud cough and splutter as it attempted to start.

bought
thought
thorough
borough
plough
breakthrough
although
hiccough
furlough
sourdough
enough
although
interborough
cough
ought
tough
bough
nought
brought
toughen

Foundation Work (for the week)

Democracy– due Friday at 12pm

This week we thought it might be interesting for you to do some research and find information out about your local MP. You can find out who your MP is through the following website:

<https://members.parliament.uk/FindYourMP> There is also a link to the website via purple mash.

Your task is to research you local MP, find out some facts about them, such as by what percentage of the vote did the MP receive at the last election. Finally, you can think of three questions that you would like to ask your local MP. For example, 'what are you doing to help the environment?'

Diary

Write a diary of what work and activities you did today. Remember to include your emotions and opinions.
